med 59-14 &: P

Sir,

I have the honor to state that the Senior Surgeon has been, ever since the establishment of the Medical Stores, incurring expenditure within the budget grants, under the heads "Europe medicines" and "Country medicines" without the previous sanction of Government.

2. So far as this office is aware, there is no express Government Order authorising the Senior Surgeon in that behalf and although the practice has the sanction of long usage, yet the Treasury Manual being silent on the point, the Comptroller desires in his letter No.2120/504 T A M. dated 15-9-1914 that the sanction of Government should be obtained for the continuance of the existing practice.

3. As no circumstance has occurred to call for any change in the existing practice, I request that its continuance may now be expressly sanctioned by Government as required by the Comptroller.

I have the honor to be,
Sir,
Your most obedient servant,

T V Arumugam

Senior Surgeon.
